

INTRODUCTION

North Point Community Church began 21 years ago. Southside Church started almost 12 years ago. In that time, we've put a lot of effort into creating churches unchurched people love to attend. It's worked because so many people have made it work. It's worked because we broke every church tradition we knew to embrace the mission of the church: to draw people to Jesus.

DISCUSSION QUESTIONS

1. What difference does it make in a church when you assume guests are in the room? What are some examples of things you might do (or say) if you don't assume guests are in the room?
2. How would you describe our church's reputation with those in our community?
3. Why do you think that people who were nothing like Jesus liked Jesus?
4. What are some ways that Christians and non-Christians are alike? What are some ways they are different?
5. Read 1 Corinthians 5:12. According to this verse, how should Christians treat those outside the faith? How should Christians treat those inside the faith?
6. Do you agree that following Jesus will make your life better and make you better at life? Why or why not?

THINK ABOUT IT

How would you respond if someone who isn't a Christian asked you, 'Who is Jesus?'

WHAT WILL YOU DO

What is one step you can take to become more engaged in our church?

CHANGING YOUR MIND

It is my judgment, therefore, that we should not make it difficult for the Gentiles who are turning to God. Acts 15:19 NIV
