

PART 3: TRUST FALLS

INTRODUCTION

The wisest man who ever lived encourages us to trust God and not lean into our own understanding. Wise advice. But what does that look like practically?

DISCUSSION QUESTIONS

1. Have you ever participated in a trust fall? If so, describe your experience.
2. Why do you think the more money someone makes the lower the percentage they give away?
3. During the message, Jeff said, “Trusting God with your leftovers rarely grows faith.” Do you agree? Why or why not?
4. What is the difference between a tithe and an offering? Why do you think it is important to know the difference?
5. How can we lay up treasures in heaven? Why is this important?
6. What is one thing you can do this week to trust God and stop leaning on your own understanding?

MOVING FORWARD

God wants us to be able to trust him with everything—even our finances and possessions. When we trust God with our first fruits, it reveals who or what we are trusting in and it honors God. It’s also an investment in eternal things.
