

Meet at the MIRROR

Your child is wonderfully made, and there isn't anyone in the world who is just like them. Help your child remember that God made them special by playing this simple game.

Here's what to do:

- 1** Draw a picture frame on the bathroom mirror around your child's reflection. At the top, write this month's verse.
- 2** Each night as they brush their teeth, talk to your preschooler about how God made them and loves everything about them.
- 3** Practice saying the verse together as you look into the mirror. Add some extra fun by doing the motions in silly ways (really fast, super slow, or with crazy voices).
