

JOSHUA'S HORN

God asked Joshua to get the bad guys out of the city of Jericho. But Jericho was surrounded by a gigantic wall! Joshua and his army marched around the wall, blew their horns, and the wall fell to the ground! Joshua was able to do something big because he trusted God. Help your child make a horn just like Joshua's so they remember that they can trust God too.

Here's what to do:

- 1** Allow your child to decorate a piece of paper however they want. Use whatever supplies you have at home and encourage them to be creative.
 - 2** Roll up the paper to make a horn and secure it with tape.
 - 3** Retell the Bible story with your child. At the right time, encourage your child to blow their horn just like Joshua did. They can even pretend to be the wall of Jericho and fall to the ground!
 - 4** Talk about how Joshua trusted God, and you can trust God too.
-
