

WRITING YOUR BAPTISM STORY

We are so proud that you have made the decision to get baptized! The next step is to film your video, but first, it's time to start thinking about what you want to say. This is your chance to tell everyone about how Jesus has changed your life. On a separate sheet of paper, fill out your answers to the questions below so you'll be ready to share your story!

1. Introduce Yourself

Let everyone know your name, your age, grade, and what school you go to.

2. Tell The Story Of When You Asked Jesus Into Your Life

What was your life like before you accepted Christ? Also, tell us where you decided to follow Jesus. Was it at a camp or maybe there was a pivotal moment or experience that led you to do that?

3. What Do You Want Everyone To Know?

How has your life changed since you started following Jesus? Why do you want to get baptized and what do you hope people learn about Jesus because of your story?

4. Who Do You Want To Thank?

Take the time to thank one or two people who have helped you in your faith journey. Maybe your parents, small group leaders, or a friend.

Close Out Your Story With This Statement:

"My name is _____. Jesus Christ is my Lord and Savior, and I have a faith of my own."
