

GENEROSITY

HEY PARENTS!

This month we're learning that God wants us to share what we have with others. Whether you have a little or a lot, God cares most that you have a generous heart toward others.

TALK ABOUT IT

- 1 What is something special someone has given you?
- 2 Why is it important to God that we're generous?
- 3 What is something you could share with others? (You could give your time, help, or money.)
