

HANG ME IN YOUR CAR

# HOPE

## HEY PARENTS!

We want kids to know that no matter what they go through each day, God will always be with them. That's why this month we'll dive into the events of **EASTER** and see how Jesus became the champion of the world and gave us a reason to believe that trouble won't last forever.

## CAR TALK:

- ① What is something you're worried about right now?
- ② What do you hope will happen with that thing you're worried about?
- ③ How does knowing God is *with you* help when you're worried?
