

CINE IN YOUR CAP

HEY-IPARENTS!

We know life is full of ups and downs. Let's teach our kids that they can find joy—no matter what—when they know God loves them, he is with them, and he will take care of them.

CAR TALK:

- Tell me about the best day you've ever had.
- Tell me about the worst day you've ever had.
- How can you find JOY no matter what your day is like?

LOCK IT. Challenge your kid to memorize the verse and say it on UpStreet to win these exclusive UpStreet sunglasses!

LIVE IT. Talk about JOY together as a family as you go throughout all the good and hard things that happen this month. Joy comes from trusting that no matter what we go through, God always loves us and will take care of us.

> Rejoice in the Lord always. I will say it again: Rejoice!
